from Bill Sewell, Executive Director

Special thanks to Clayton Somers, Jack Davis, Ian Sauer and Doyle Parrish, whose hard work and generous contributions make this all possible!

Thanks to the News and Observer's Tim Stevens, one of the tournament founders, for 37 years of continuous support and advice. To Alex Martin, Jack Spain and the Caps Club. To Rudy Watson, my wingman, who works tirelessly throughout the entire tournament. Thanks to Alex Bass, a loyal tournament supporter whose contributions include media operations, hosting of teams and team selection. To Amy Sessoms and Tammy Jones. Hats off to Dave Telep, our banquet speaker and primary source of basketball research. Special thanks to Michelle Hillison and Kelly Andrews – your footprints are all over the tournament and I miss working with you.

Thanks to all the players, coaches and fans! I know you will enjoy the show.
